REACH customer information

(Regulation (EC) No.1907/2006)

RPtec GmbH

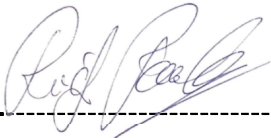

We confirm that our products do not contain any Substances of Very High Concern (SVHC) on the Candidate List (as of 17 January 2022) above 0.1% (w/w) according to Article 33 of the REACH Regulation (Regulation (EC) No 1907/2006).

Suppliers within the EU

Our EU-suppliers, have a duty to inform in case of exceeding the limit value of SVHC-substances. After becoming aware of a limit value exceedance, this must be reported to us immediately. If a customer is affected, we will inform him accordingly.

Suppliers outside the EU

We make separate agreements with all suppliers who are established outside the EU to comply with the REACH regulation.
